

Laminated Solid Copper Sheet Copper Cathode Plate 1000mm-6000mm

Our Product Introduction

Basic Information

- Place of Origin: china
- Brand Name: jinshunlai
- Certification: IOS
- Model Number: 0.1mm-900mm
- Minimum Order Quantity: 1kg
- Price: contact us
- Delivery Time: 5days
- Payment Terms: L/C, T/T , Western Union,D/P
- Supply Ability: 90000ton

Product Specification

- Color: Red Yellow
- Highlight: Laminated Solid Copper Sheet,
1000mm Solid Copper Sheet,
Laminated copper cathode plate

Product Description

Product Description:

Copper Sheet Plate is a high-quality product that is created through a meticulous process of copper sheet plating, laminating, and rolling. The product has a standard export package and is available in a variety of shapes and sizes – from 100mm to 6000mm in length. The material used is copper, and it is ensured through ISO 9001:2008, SGS, and other certificates. Copper Sheet Plate is perfect for a variety of industrial applications. It is strong and durable, and is resistant to corrosion. With its superior performance, it is an ideal choice for a variety of uses.

Features:

Product Name: Copper Sheet Plate

Certificate: ISO 9001:2008, SGS, Etc.

MOQ: 1 Ton

Length: 1000mm-6000mm

Width: 1000mm-3000mm

Material: Copper

Service: Copper Sheet Laminating, Copper Sheet Cladding, Copper Sheet Laminating Service, Copper Sheet Cladding Service

Technical Parameters:

Property	Details
Payment Term	T/T, L/C, Etc.
Shape	Sheet Plate
Tolerance	±0.01mm
Surface	Polished, Bright, Anodized, Etc.
Width	1000mm-3000mm
Material	Copper
Length	1000mm-6000mm
MOQ	1 Ton
Package	Standard Export Package
Processing	Cutting, Bending, Welding, Copper Sheet Corrugating, Copper Sheet Perforating, Copper Sheet Galvanizing, Etc.

Applications:

Copper Sheet Plate is a high quality product that is widely used in many industries. It is made of copper, a material that is known for its durability and strength. It is available in various widths ranging from 1000mm to 3000mm, with a tolerance of ± 0.01mm, and can be processed through cutting, bending, welding and other methods. It is available in a variety of model numbers, including C10100, C10200, C10300, C10400, C10500, C10700, C10800, C10910, C10920, C10930, C11000, C11300, C11400, C11500, C11600, C12000, C12200, C12300, C12500, C14200, C14420, C14500, C14510, C14520, C14530, C17200, C19200, C21000, C23000, C26000, C27000, C27400, C28000, C33000, C33200, C37000, C44300, C44400, C44500, C60800, C63020, C65500, C68700, C70400, C70620, C71000, C71500, C71520, C71640, C72200. This product is very popular for copper sheet plating, copper sheet corrugating and other purposes. It is produced by Jiangsu Wuxi, and can be purchased with payment terms such as T/T and L/C. The Brand Name of this product is Copper. Copper Sheet Plate is an excellent choice for a wide range of applications.
