

8 Inch 5 Inch 4 Inch Polished Stainless Steel Sheet 201 304 316

Our Product Introduction

Basic Information

- Place of Origin: china
- Brand Name: jinshunlai
- Certification: ISO, AISI, ASTM, GB, EN, DIN
- Model Number: 0.1mm-900mm
- Minimum Order Quantity: 1kg
- Price: Contact Us
- Packaging Details: Waterproof Paper, Steel Strip Packed and other Standard Export Seaworthy Package, or customized package
- Delivery Time: 5days
- Payment Terms: L/C, T/T , Western Union
- Supply Ability: 90000ton

Product Specification

- Bending: Roll Bending, Press Bending
- Cutting: Laser Cutting, Plasma Cutting, Waterjet Cutting
- Delivery: By Sea, By Air, By Express
- Drilling: CNC Drilling, Manual Drilling
- Material: Stainless Steel
- Packaging: Wooden Cases, Wooden Pallets, Plastic Bags
- Process: Fabrication
- Shape: Tube
- Size: Customized
- Surface Treatment: Polishing, Brushing, Sandblasting
- Tapping: External Tapping, Internal Tapping
- Testing: Mechanical Testing, Chemical Testing, Non-destructive Testing
- Threading: External Threading, Internal Threading

Product Description

PRODUCT DESCRIPTION

Decorative 201 202 310S 304 316 Grade 6 Inch Welded Polished Stainless Steel Pipe Suppliers

Corrosion resistance is better than 304 stainless steel pipe, in the pulp and paper production process has a good corrosion resistance. And 316 stainless steel is also resistant to Marine and aggressive industrial atmosphere erosion. Heat resistance in discontinuous use below 1600 degrees and continuous use below 1700 degrees, 316 stainless steel tubes have good oxidation resistance. There are different versions of the material with low carbon and high carbon content. The Tubes and UNS S316L00 Stainless Steel Strip Specification varies and the applications differ for the different versions of the material. The low carbon version, 316L Tubes are very good for welding applications as they have less carbide precipitation and less localized corrosion. The ASME SA240 Stainless Steel 316L Tube Thickness ranges up to 200mm and the width and the length ranges widely depending on the application requirements as well. Please contact us for more information and prices.

Product Description

Standard:	JIS	Place of Origin:	Jiangsu, China
Brand Name:	TISCO	Model Number:	seamless
Type:	Seamless	Steel Grade:	300 Series, 301L, 301, 316L, 316, 304, 304L
Application:	Construction, Decoration and Industry etc.	Welding Line Type:	Seamless welded
Outer Diameter:	39.1mm	Tolerance:	±1%
Processing Service:	Bending, Welding, Decoiling, Punching, Cutting, Moulding	Grade:	201 304 316L 2205
Section Shape:	Round	Alloy Or Not:	Non-Alloy
Surface Finish:	2B	Invoicing:	by actual weight
Delivery Time:	within 7 days	Product name:	75mm steel pipe precision stainless steel tubing steel tube 40x80
Keyword:	staninless steel tube	Material Grade:	201/202/302/304/304L/310/314/314L/316/316L/430/409/321
Shape:	Round Section	Length:	6m, 12m or customized
Technique:	Cold Drawing or casting	Finish:	No.1 No.3 No.4 HL 2B BA 4K 8K 1D 2D
Package:	Wooden Cases/Pallets or customized	Ends:	Smooth
MOQ:	1 Ton
